It takes many things to make a great football team, such as skilled players working together with a determined coach. Our team was behind the scoreboard only twice throughout the duration of the season, because their temperament would not allow them to treat any game as a pushover.

The 59ers' season opener against Harmon Morton was a test to decide whether we would have a winning season. In this game Dennis Gutowski, protected by his offensive line, showed his ability to call plays, pass and run as the team marched on to a victory of 35-18.

During the 59ers' River Forest contest, Rick Bartolomeo struck early to open the way for our gridmen to take an easy victory. After three annual tries to Gary Froebel, Andrean proved to be superior and marched on to another victory. Our next opponent was Horace Mann. After putting on a good fight in the first half Horace Mann faltered under a strong kick from a tough Niner offense. In the following game with the Troopers of Roosevelt, Andrean experienced its greatest detriment of the season when Rick Bartolomeo had the misfortune of fracturing his leg, but the Niners pulled together to retain victory. Andrean's greatest rival, W. Wallace, was the next to experience our might. Thanks to the extra point kick scored by Jerry "Golden Toe" Kelley, we won 13-12. The perfect touch to Homecoming was added by our 61-6 victory over Emerson. The next test of our undefeated team was against Gary Wirt. This was the first time in four years that the Troopers lost on their own field. Andrean marked their third shut-out of the season by beating Calumet 10-0. In the final game of the season we were faced with our toughest opponent, Hobart. Our defense played their best game, only allowing Hobart one touchdown, while enduring successive penetration of Andrean's yard line.

Nineteen Sixty-eight was the seventh varsity football season for Andrean and was their first Undefeated season.

My Dear Graduates,

It has finally come—this long awaited high school graduation. As many will tell you, this is really a beginning, not an end. Certainly your graduation from Andean will not and cannot end your education. The full blossoming of your adulthood is just beginning.

What you are and what you will be have been shaped, to some degree, here at Andean. Your teachers and your fellow students, along with your parents and friends, have consciously and unconsciously been influencing your growth. And you yourself have been maturing in self-knowledge.

Now you are moving into that period of your life when you hope to make those decisions that will determine what you will be and what you will do for most of your adult life. Do not be selfish in making those decisions. Our prayer here at Andean will be that what you are and do will always be just and good, and that you, and through you your brothers and sisters of this world, will love God.

Thank You

Acknowledgements

Jan and I would like to express a big "Thank You" to all the members of our staff who worked so hard on this year's production. How we lived through held up pictures, wrong cuttings, misspelled names and last minute changes I'll never know.

To Dave Centifano, Pete Kirk, and Mark McLaren we owe thanks for all the photography and darkroom endurances. Mr. Robert Lewis and Mr. Frank Mraz also merit our praise for their personal interest in our photographic efforts.

For Helen DeLaMora's endless hours of typing we are especially grateful. For Dick Kersting's artistic ability we are indebted for our cover design.

THE special and biggest note of thanks has to go to Father Smith. Without his encouragement and humor the hours would have seemed endless.

Lastly—a note of thanks to all the Andrean students for providing us with endless subject matter. This book is yours—we hope that it will help recall the treasured memories of this past year.

Marcy
